## **Dashboard and Body-Worn Camera Footage of Fatal Vehicle Pursuit in Cecil County Released**

**BALTIMORE, MD (January 18, 2023)** – The Independent Investigations Division (IID) of the Office of the Attorney General today released the [dashboard and body-worn camera footage](#) from the fatal vehicle pursuit involving Maryland State Police on December 31, 2022, in Cecil County. The decedent was previously identified as 26-year-old Julie Clark, of Tenaflly, New Jersey.

Today's release is in accordance with the IID's policy to generally release body camera footage within 14 days of an incident. There may be situations where more than 14 days is necessary, including if investigators need more time to complete witness interviews, if there are technical delays caused by the need to shield the identities of civilian witnesses, or to allow family members to view the video before it is released to the public.

The Independent Investigations Division, with the assistance of the Maryland State Police Crash Team, continues to investigate the circumstances of the fatal pursuit. To read the original news release, click [here](#).
