## Camera Footage from Fatal Police-Involved Shooting in Baltimore City Released

**BALTIMORE, MD (July 12, 2023)** – Today, the Baltimore Police Department released the body-worn camera footage and citizen video of the fatal police-involved shooting that occurred on June 29 in Baltimore. The release of the body-worn camera footage is in accordance with the memorandum of understanding between the Independent Investigations Division and the Baltimore Police Department for officer-involved death investigations.

The video can be viewed [here](#).

The decedent was identified as 40-year-old Darryl Gamble of Baltimore.

The Independent Investigations Division continues to investigate the circumstances of the fatal shooting. To read the original news release, click [here](#).

The Maryland General Assembly, in Senate Bill 600, passed a law mandating that the Office of the Attorney General (OAG) investigate all police-involved fatalities in the State of Maryland beginning October 1, 2021. These investigations are conducted by the office's Independent Investigations Division, in conjunction with the Maryland State Police. The OAG and Baltimore Police have reached an agreement to allow for the Attorney General's investigation while still allowing Baltimore Police to meet the investigatory obligations of its federal consent decree.
