MEMORANDUM

January 31, 1995

TO: Principal Counsel

FROM: Jack Schwartz

SUBJECT: PIA Request for Leave Information

I have learned of at least two requests from the Sunpapers for information about accumulated leave of departing cabinet officials. If you get such a request, please be aware that information about leave balances is itself considered part of an official's personnel records and is therefore not disclosable. However, information about the amount of money that an agency might have paid for unused annual leave *is* disclosable.
