Re: Notification of a Data Security Incident

Dear Mr. Karberg:

We represent Musco Sports Lighting, LLC ("Musco"), 100 1st Avenue W, P.O. Box 808, Oskaloosa, IA 52577, in connection with an incident that may have involved the personal information of one (1) Maryland resident and provide this notice on behalf of Musco pursuant to MD. CODE ANN., COM. LAW § 14-3504(h). This notice will be supplemented, if necessary, with any new significant facts discovered subsequent to its submission. While Musco is notifying you of this incident, Musco does not waive any rights or defenses relating to the incident or this notice, or the applicability of Maryland law on personal jurisdiction.

NATURE OF THE SECURITY INCIDENT

On March 16, 2022, Musco suffered from a ransomware attack that prevented Musco from accessing certain electronic files. Upon learning of the issue, Musco quickly began an investigation and took steps to secure its systems and restore access to its files. As part of that investigation, Musco determined that an unknown, unauthorized third party accessed its systems on March 16, 2022 and may have accessed and acquired certain documents from its system during the incident. Musco conducted a comprehensive review of the potentially accessed or acquired documents. Musco determined that the third party may have accessed or acquired files that contained the personal information of certain individuals including, depending on the individual, their name, Social Security number, driver's license number, passport number, financial account number, payment card number, medical treatment information, and/or health insurance information. At this point, Musco is not aware of any fraud or identity theft to any individual as a result of this incident.

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit www.ftc.gov/idtheft or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

Credit Reports: You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/manualRequestForm.action>.

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Fraud Alerts: You may want to consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at www.annualcreditreport.com.

Credit and Security Freezes: You may have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze can be placed without any charge and is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:
