Re: Incident Notification

Dear Attorney General Frosh:

We are writing on behalf of our client, Mayzo, Inc. (“Mayzo”), to notify you of a security incident involving one Maryland resident.

Mayzo concluded an investigation involving unauthorized access to one employee’s email account. Upon discovery, Mayzo immediately began an investigation and engaged a third-party forensic firm to assist. The investigation determined that an unauthorized party had accessed one employee email account between December 2, 2021 and March 18, 2022. Mayzo could not determine which emails, if any, were accessed by the unauthorized individual. Therefore, Mayzo reviewed the emails and attachments that were potentially accessible to the unauthorized individual and, on July 11, 2022, determined that an email or attachment in the email account included the name and taxpayer identification number of one Maryland resident.

Mayzo is providing written notice via United States Postal Service First Class mail to the Maryland resident¹ whose personal information was potentially accessed by the unauthorized party. Mayzo is offering the resident a complimentary one-year membership to identity monitoring services from Experian and is providing a telephone number where individuals may call to obtain more information regarding the incident.

¹ This notice does not waive Mayzo’s objection that Maryland lacks personal jurisdiction over it regarding any claims related to this data security incident.

In response to the incident, Mayzo has taken steps to help prevent a similar incident in the future by implementing additional security safeguards and controls for their email system.

Please do not hesitate to contact me if you have any questions regarding this matter.

Sincerely,

Dear [REDACTED]

Mayzo, Inc. is writing to inform you of an incident that involved some of your information. This notice explains the incident, measures we have taken, and some steps you may consider taking.

We concluded an investigation into suspicious activity originating from one Mayzo email account. As soon as we became aware of the activity, we immediately took measures to secure the email account and launched an investigation with the assistance of a cybersecurity firm. The investigation determined that an unauthorized person accessed the email account at various times between December 2, 2021 and March 18, 2022, but it was not able to determine whether any specific emails or attachments were accessed or downloaded by the unauthorized person. We, therefore, reviewed all emails and attachments that could have been accessed or downloaded. We determined on July 11, 2022, that an email or attachment contained your name and Social Security number.

We remind you it is always advisable to be vigilant for incidents of fraud or identity theft by reviewing your account statements and free credit reports for any unauthorized activity. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit www.annualcreditreport.com or call toll free at 1-877-322-8228. Contact information for the three nationwide credit reporting companies is as follows:

- *TransUnion*, PO Box 2000, Chester, PA 19016, www.transunion.com, 1-800-916-8800

If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your state. You can obtain information from these sources about steps an individual can take to avoid identity theft as well as information about fraud alerts and security freezes. You should also contact your local law enforcement authorities and file a police report. Obtain a copy of the police report in case you are asked to provide copies to creditors to correct your records. Contact information for the Federal Trade Commission is as follows:

- *Federal Trade Commission*, Consumer Response Center, 600 Pennsylvania Avenue NW, Washington, DC 20580, 1-877-IDTHEFT (438-4338), www.identitytheft.gov

If your health insurance or medical information was involved, it is also advisable to review the billing statements you receive from your health insurer or healthcare provider. If you see charges for services you did not receive, please contact the insurer or provider immediately.

Fraud Alerts and Credit or Security Freezes:

Fraud Alerts: There are two types of general fraud alerts you can place on your credit report to put your creditors on notice that you may be a victim of fraud—an initial alert and an extended alert. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for one year. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years.

To place a fraud alert on your credit reports, contact one of the nationwide credit bureaus. A fraud alert is free. The credit bureau you contact must tell the other two, and all three will place an alert on their versions of your report.

For those in the military who want to protect their credit while deployed, an Active Duty Military Fraud Alert lasts for one year and can be renewed for the length of your deployment. The credit bureaus will also take you off their marketing lists for pre-screened credit card offers for two years, unless you ask them not to.

Credit or Security Freezes: You have the right to put a credit freeze, also known as a security freeze, on your credit file, free of charge, which makes it more difficult for identity thieves to open new accounts in your name. That's because most creditors need to see your credit report before they approve a new account. If they can't see your report, they may not extend the credit.

How do I place a freeze on my credit reports? There is no fee to place or lift a security freeze. Unlike a fraud alert, you must separately place a security freeze on your credit file at each credit reporting company. For information and instructions to place a security freeze, contact each of the credit reporting agencies at the addresses below:

- **Experian Security Freeze**, PO Box 9554, Allen, TX 75013, www.experian.com
- **TransUnion Security Freeze**, PO Box 2000, Chester, PA 19016, www.transunion.com
- **Equifax Security Freeze**, PO Box 105788, Atlanta, GA 30348, www.equifax.com

You'll need to supply your name, address, date of birth, Social Security number and other personal information.

After receiving your freeze request, each credit bureau will provide you with a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

How do I lift a freeze? A freeze remains in place until you ask the credit bureau to temporarily lift it or remove it altogether. If the request is made online or by phone, a credit bureau must lift a freeze within one hour. If the request is made by mail, then the bureau must lift the freeze no later than three business days after getting your request.

If you opt for a temporary lift because you are applying for credit or a job, and you can find out which credit bureau the business will contact for your file, you can save some time by lifting the freeze only at that particular credit bureau. Otherwise, you need to make the request with all three credit bureaus.
