RE: Security Incident Notification

To Whom It May Concern:

We serve as counsel for Dura-Shiloh ("Shiloh"), located at 1780 Pond Run, Auburn Hills, MI 48326, and provide this preliminary notification to you of a recent data security incident. We will provide updates as necessary to supplement this notice. By providing this notice, Shiloh does not waive any rights or defenses under Maryland law, including the data breach notification statute.

On September 17, 2022, Shiloh experienced a network disruption that impacted certain systems. Upon discovery, Shiloh took immediate action to address and investigate the incident, which included engaging third-party specialists to assist with determining the nature and scope of the incident. A thorough investigation determined that limited information maintained on Shiloh's network was accessed by an unauthorized actor. Shiloh then began a thorough initial review of the contents of the data to determine the type of information contained within the files and to whom that information related. On September 28, 2022, Shiloh completed their initial review, which included working to obtain up-to-date address information in order to provide individuals with a notice letter. The type of information related to Maryland residents included name, date of birth, financial account information, and/or Social Security number.

Shiloh is providing preliminary notice of this incident to potentially impacted individuals, including three (3) Maryland residents via letter mailed on October 7, 2022. The notice letter includes an offer of complimentary credit monitoring and identity protection services offered through IDX for twelve (12) months. A copy of the notice letter is attached hereto as **Exhibit A**.

Please contact me should you have any questions.

Very truly yours,

STEPS YOU CAN TAKE TO HELP PROTECT YOUR INFORMATION

Activate Identity Monitoring Services

- 1. Website and Enrollment.** Go to <https://app.idx.us/account-creation/protect> and follow the instructions for enrollment using your Enrollment Code provided at the top of the letter. Please note the deadline to enroll is January 7, 2023.
- 2. Activate the credit monitoring** provided as part of your IDX identity protection membership. The monitoring included in the membership must be activated to be effective. Note: You must have established credit and access to a computer and the internet to use this service. If you need assistance, IDX will be able to assist you.
- 3. Telephone.** Contact IDX at 1-833-764-2917 to gain additional information about this event and speak with knowledgeable representatives about the appropriate steps to take to protect your credit identity.
- 4. Review your credit reports.** We recommend that you remain vigilant by reviewing account statements and monitoring credit reports. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months.

If you discover any suspicious items and have enrolled in IDX identity protection, notify them immediately by calling or by logging into the IDX website and filing a request for help. If you file a request for help or report suspicious activity, you will be contacted by a member of the IDX ID Care team who will help you determine the cause of the suspicious items. In the unlikely event that you fall victim to identity theft as a consequence of this incident, you will be assigned an ID Care Specialist who will work on your behalf to identify, stop and reverse the damage quickly.

Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit www.annualcreditreport.com or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

You have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver’s license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
