Re: Notice of Data Event

Dear Sir or Madam:

We represent Benchmark Education Company LLC (“Benchmark Education”), located at 145 Huguenot Street, New Rochelle, NY 10801, and are writing to notify your Office of an incident that may affect the security of certain information relating to twelve (12) Maryland residents. The investigation into this matter is ongoing, and this notice will be supplemented with any new significant facts learned subsequent to its submission. By providing this notice, Benchmark Education does not waive any rights or defenses regarding the applicability of Maryland law, the applicability of the Maryland data event notification statute, or personal jurisdiction.

Nature of the Data Event

Benchmark Education became aware of suspicious activity related to certain systems. Benchmark Education immediately took steps to secure its environment and launched an investigation with third-party specialists to determine the nature and scope of the incident. Through this investigation, Benchmark Education determined there was unauthorized access to certain employee email accounts on separate occasions between September 22, 2021 and December 15, 2021. While the investigation was able to confirm that the email accounts were accessed, the investigation was not able to confirm whether any particular email or attachment was actually viewed or accessed. As a result, Benchmark Education, with the assistance of third-party specialists, began a thorough programmatic and manual review of all emails and attachments contained in the employee accounts to determine whether sensitive information may have been present in the accounts at the time of the event and to whom this information belonged. Although this review is ongoing, on or about August 4, 2022 Benchmark Education’s investigation confirmed that information pertaining to certain individuals was potentially

affected. While the information varies for each individual, the information that could have been accessed include name, Social Security number, driver's license number, financial account information, health insurance information, and/or medical information.

Notice to Maryland Residents

On or about October 17, 2022, Benchmark Education began providing written notice of this incident to twelve (12) Maryland residents. Written notice is being provided in substantially the same form as the letter attached here as ***Exhibit A***. Notification to impacted individuals is ongoing, and Benchmark Education may supplement this notification if it is determined that a significant amount of additional Maryland residents will receive notice.

Other Steps Taken and To Be Taken

Upon discovering the event, Benchmark Education moved quickly to investigate and respond to the incident, confirm the security of the Benchmark Education email environment, and identify potentially affected individuals. Benchmark Education is providing access to complimentary credit monitoring services for one (1) year, through Experian IdentityWorks, to individuals whose information was potentially affected by this incident.

Additionally, Benchmark Education is providing impacted individuals with guidance on how to better protect against identity theft and fraud. Benchmark Education is providing individuals with information on how to place a fraud alert and security freeze on one's credit file, the contact details for the national consumer reporting agencies, information on how to obtain a free credit report, a reminder to remain vigilant for incidents of fraud and identity theft by reviewing account statements and monitoring free credit reports, and encouragement to contact the Federal Trade Commission, their state Attorney General, and law enforcement to report attempted or actual identity theft and fraud.

Monitor Your Accounts

Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer’s express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a credit freeze, please contact the three major credit reporting bureaus listed below:
