Re: Notice of Data Event

Dear Sir or Madam:

We represent Meier Supply Company, Inc. (“Meier Supply”) located at 275 Broome Corporate Parkway, Conklin, New York, 13748, and are writing to notify your office of an incident that may affect the security of certain personal information relating to two (2) Maryland residents. This notice will be supplemented with any new significant facts learned subsequent to its submission. By providing this notice, Meier Supply does not waive any rights or defenses regarding the applicability of Maryland law, the applicability of the Maryland data event notification statute, or personal jurisdiction.

Nature of the Data Event

On May 3, 2022, Meier Supply identified suspicious activity on its network and moved quickly to secure the environment. Meier Supply then began an investigation with the assistance of third-party forensic specialists to determine the nature and scope of the activity. The investigation determined that there was unauthorized access to the network and one employee email account between April 27 and May 3, 2022. While on the network, the unauthorized actor had the ability to access certain information stored therein. Therefore, Meier Supply undertook a comprehensive review of data potentially at risk to determine what information was at issue and to whom the information related. On October 14, 2022, Meier Supply determined information related to resident(s) of Maryland could be affected. The information that could have been subject to unauthorized access may include name, Social Security number, financial account information, and taxpayer identification number.

Notice to Maryland Residents

On November 29, 2022, Meier Supply provided written notice of this incident to two (2) Maryland residents. Written notice is being provided in substantially the same form as the letter attached here as ***Exhibit A***.

Other Steps Taken and To Be Taken

Upon discovering the event, Meier Supply moved quickly to investigate, respond to the incident, assess the security of its systems, and identify potentially affected individuals. Further, Meier Supply notified federal law enforcement regarding the event and is working to implement additional safeguards and training for its employees. Meier Supply is providing individuals whose personal information was potentially affected by this incident with access to credit monitoring services for twelve (12) months through Experian at no cost to the individuals.

Additionally, Meier Supply is providing impacted individuals with guidance on how to better protect against identity theft and fraud, including advising individuals to report any suspected incidents of identity theft or fraud to their credit card company and/or bank. Meier Supply is providing individuals with information on how to place a fraud alert and security freeze on one's credit file, the contact details for the national consumer reporting agencies, information on how to obtain a free credit report, a reminder to remain vigilant for incidents of fraud and identity theft by reviewing account statements and monitoring free credit reports, and encouragement to contact the Federal Trade Commission, their state Attorney General, and law enforcement to report attempted or actual identity theft and fraud.

Monitor Your Accounts

Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer’s express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a credit freeze, please contact the three major credit reporting bureaus listed below:
