Please be advised that we represent ZOLL Medical Corporation (“ZOLL”) in regard to a recent cyber security incident. Pursuant to M.D. COML § 14-3504, we are reporting to you, on behalf of ZOLL, that ZOLL will notify 14,239 Maryland residents of a breach of their personal information.

On January 28, 2023, ZOLL detected unusual activity on its internal network, and it promptly took steps to mitigate the incident. ZOLL consulted with third-party cybersecurity experts to assist with its response to the incident, and notified law enforcement. On February 2, 2023, ZOLL determined that some personal information of some of its current and former employees and their dependents, and some patient information may have been affected by this incident. The type of employee information affected included name, address and Social Security number. Additionally, some former and current employees’ insurance and/or medical information may have been affected if the individual submitted such information for a request for leave from employment, bank account information if the individual provided such information to ZOLL for direct deposit, and/or driver’s license or passport number if the individual provided such information for proof of residency/citizenship on an I-9 form.

The Maryland residents affected by this incident will receive the enclosed notice(s) on or about March 10, 2023. ZOLL is offering credit monitoring at no charge for a period of 24 months to affected patients, and for a period of 36 months to affected former and current employees/dependents.

If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

Credit Freeze

You have the right to put a security freeze, also known as a credit freeze, on your credit file, so that no new credit can be opened in your name without the use of a Personal Identification Number (PIN) that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to access your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. Should you wish to place a credit freeze, please contact all three major consumer reporting agencies listed below.

- 4) Current address and previous addresses for the past five (5) years;
- 5) Proof of current address, such as a current utility bill or telephone bill;
- 6) Other personal information as required by the applicable credit reporting agency;

If you request a lift of the credit freeze online or by phone, then the credit reporting agency must lift the freeze within one (1) hour. If you request a credit freeze or lift of a credit freeze by mail, then the credit agency must place or lift the credit freeze no later than three (3) business days after getting your request.

Fraud Alerts

You also have the right to place an initial or extended fraud alert on your file at no cost. An initial fraud alert lasts 1-year and is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years. If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

Credit Freeze

You have the right to put a security freeze, also known as a credit freeze, on your credit file, so that no new credit can be opened in your name without the use of a Personal Identification Number (PIN) that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to access your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. Should you wish to place a credit freeze, please contact all three major consumer reporting agencies listed below.
