Re: Notice of Security Incident Affecting Third-Party Service Provider of National Vision, Inc. (“NVI”)

Dear Attorney General Brown,

We write on behalf of NVI regarding a security incident involving a third-party service provider.

On December 13, 2023, NVI was informed by its third-party service provider, Delta Dental of California and affiliates (“Delta Dental”) that Delta Dental experienced a data security incident involving MOVEit Transfer software (“MOVEit”), a file transfer tool used by many organizations to support the secure transfer of data files.

NVI understands that, upon becoming aware of the issue, Delta Dental promptly launched an investigation and took steps to contain and remediate the MOVEit incident.

Based on the investigation, Delta Dental believes certain files relating to NVI within the MOVEit tool were compromised, including files that contained personal data of 22 Maryland residents who are NVI associates and/or their dependents. NVI understands that the personal data in the relevant files may have included some combination of: first name or first initial and last name; date of birth; Social Security number; prescription information; provider name; health insurance information; and/or treatment cost information.

From December 15, 2023- January 12, 2024, Delta Dental notified individuals whose personal information may have been involved. Those individuals will have an opportunity to enroll in a 24-month complimentary subscription to Kroll’s credit monitoring and identity theft restoration services.

An unaddressed copy of Delta Dental’s letter is attached. A call center has been established by Delta Dental to answer consumers’ questions.

NVI takes this event seriously and remains committed to protecting personal information and assisting those who may have been affected by this incident. By virtue of this notice, NVI does not waive any rights and reserves all rights under applicable laws.

Please do not hesitate to contact us if you have any questions regarding this letter.

Very truly yours,
