RE: Data Incident Notification

To Whom It May Concern:

We serve as counsel for Luhn VantEdge Partners, LLC ("LVE"), located at 2950 Gateway Centre Blvd., Morrisville, NC 27560 and write to inform you of a data security event. By providing this notice, LVE does not waive any rights or defenses under Maryland law, including the data breach notification statute.

On or around November 30, 2023, LVE was contacted by their third-party vendor, Paycor, who informed LVE of an event that occurred on or around May 31, 2023, relating to Paycor's use of Progress Software's MOVEit Transfer software. Upon discovery, Paycor took action to address and investigate the event, which included conducting an investigation into the nature and scope of the event. We understand their investigation determined that an unauthorized actor gained access to certain information for a limited period of time. Paycor completed a review of the contents of the impacted data in order to determine the type of information contained within the data and to whom that information related. Once this review was completed, Paycor determined that information related to LVE individuals was impacted, and on November 30, 2023, LVE received a list of impacted individuals.

On or about January 4, 2024, LVE completed its review of the data, which included obtaining address information for the potentially impacted individuals. At that time, it was determined that information related to one (1) Maryland resident may have been impacted. The information impacted included the individual's name and Social Security number.

On February 12, 2024, LVE provided written notice of this event to the potentially impacted Maryland resident pursuant to Maryland law. The notice letter included an offer of complimentary credit monitoring and identity protection services for twelve (12) months. The notice letter sent to individuals is substantially similar to the letter attached hereto as Exhibit "A."

Please contact me should you have any questions.

Very truly yours,

Hilary Higgins, Esq.

Dear <<Name 1>>:

We are writing to inform you of a data security incident experienced by our third-party vendor, Paycor, that may have involved your information as described below. We take the privacy and security of all information very seriously and are providing information about the incident, our response, and steps you can take to help protect your information.

What Happened: On or about May 31, 2023, our third-party vendor, Paycor, discovered suspicious activity related to a vulnerability found in its MOVEit Transfer software. Upon discovery, Paycor took immediate action to address and investigate the incident, which included engaging third-party specialists to assist with determining the nature and scope of the incident. A thorough investigation determined that an unauthorized actor gained access to certain information for a limited period of time. Paycor then began a thorough review of the contents of the impacted information in order to determine the type(s) of information contained within the data and to whom that information related. On November 30, 2023, we received notification that information related to our employees was impacted. We immediately began working to locate address information, which was recently completed on January 4, 2024, in order to provide potentially impacted individuals with this notification.

What Information Was Involved: The types of information that may have been contained within the impacted data includes your first and last name, in combination with the following data element(s): <<Data Elements>>.

What We Are Doing: We have taken the steps necessary to address the incident and are committed to fully protecting all of the information entrusted to us. Upon learning of this incident, we immediately took steps to review the impacted data. Additionally, we are offering you complimentary credit monitoring and identity protection services.

What You Can Do: We recommend that you remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements for suspicious activity and to detect errors. If you discover any suspicious or unusual activity on your accounts, please promptly contact the financial institution or company. We have provided additional information below, which contains more information about steps you can take to help protect yourself against fraud and identity theft, including activating the complimentary credit monitoring and identity protection services we are offering.

For More Information: Should you have any questions or concerns, we can be reached at 888-368-7718 between the hours of 9:00 a.m. to 9:00 p.m. Eastern Time. The security of information is of the utmost importance to us. We stay committed to protecting your trust in us and continue to be thankful for your support during this time.

Sincerely,

Denise Brown

¹WebScan searches for your Social Security Number, up to 5 passport numbers, up to 6 bank account numbers, up to 6 credit/debit card numbers, up to 6 email addresses, and up to 10 medical ID numbers. WebScan searches thousands of Internet sites where consumers' personal information is suspected of being bought and sold, and regularly adds new sites to the list of those it searches. However, the Internet addresses of these suspected Internet trading sites are not published and frequently change, so there is no guarantee that we are able to locate and search every possible Internet site where consumers' personal information is at risk of being traded. ²The Automatic Fraud Alert feature is made available to consumers by Equifax Information Services LLC and fulfilled on its behalf by Equifax Consumer Services LLC. ³Locking your Equifax credit report will prevent access to it by certain third parties. Locking your Equifax credit report will not prevent access to your credit report at any other credit reporting agency. Entities that may still have access to your Equifax credit report include: companies like Equifax Global Consumer Solutions, which provide you with access to your credit report or credit score, or monitor your credit report as part of a subscription or similar service; companies that provide you with a copy of your credit report or credit score, upon your request; federal, state and local government agencies and courts in certain circumstances; companies using the information in connection with the underwriting of insurance, or for employment, tenant or background screening purposes; companies that have a current account or relationship with you, and collection agencies acting on behalf of those whom you owe; companies that authenticate a consumer's identity for purposes other than granting credit, or for investigating or preventing actual or potential fraud; and companies that wish to make pre-approved offers of credit or insurance to you. To opt out of such pre-approved offers, visit www.optoutprescreen.com. ⁴The Identity Theft Insurance benefit is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company, under group or blanket policies issued to Equifax, Inc., or its respective affiliates for the benefit of its Members. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit www.annualcreditreport.com or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

You have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver’s license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
