RE: Data Incident Notification

To Whom It May Concern:

We serve as counsel for Lasership, Inc. dba OnTrac Final Mile ("OnTrac"), located at 8401 Greensboro Drive, 7th Floor, McLean, VA 22102, and write to inform you of a data security incident. By providing this notice, OnTrac does not waive any rights or defenses under Maryland law, including the data breach notification statute.

On or around March 20, 2024, OnTrac became aware of potential unauthorized access into a cloud storage account belonging to an employee. Upon discovery, OnTrac took immediate action to address and investigate the event, which included working diligently to determine the extent and nature of the incident. Although OnTrac's thorough investigation did not identify any specific evidence of unauthorized access to or acquisition of any personal information, OnTrac reviewed the contents of the potentially affected data within the cloud storage account to determine the type of information contained within and to whom that information related. On May 16, 2024, OnTrac confirmed that information related to eight (8) Maryland residents was present in the cloud storage account. The impacted information relating to these individuals included their name in combination with their driver's license number.

On June 7, 2024, OnTrac provided written notice of this incident to the potentially impacted Maryland residents pursuant to Maryland law. The notice letter included an offer of complimentary credit monitoring and identity protection services for twelve (12) months. The notice letter sent to the individuals is substantially similar to the letter attached hereto as Exhibit A.

Please contact me should you have any questions.

Very truly yours,

Damon Barhorst, Esq.

Dear <<First Name>> <<Last Name>>:

Lasership, Inc. dba OnTrac Final Mile ("OnTrac") is writing to inform you of an incident that may have involved some of your personal information. We take the privacy of data in our care seriously and while we have no evidence to suggest that any information was misused, in an abundance of caution, we are providing you information about the incident, our response, and steps you can take to protect your information.

What Happened: On or around March 20, 2024, we became aware of potential unauthorized access into a cloud storage account belonging to an employee. Upon discovery, we took immediate action to address and investigate the event, which included working diligently to determine the extent and nature of the incident. Although our thorough investigation did not identify any specific evidence of unauthorized access to or acquisition of any personal information, we determined that limited information related to individuals was present in the cloud storage account. Therefore, we then began a review of the contents of the potentially affected data to determine the type of information contained within and to whom that information related. On May 3, 2024, our initial review was completed, and we then worked to locate accurate address information in order to provide you with this notice. Our address review was recently completed on May 16, 2024, and we are now notifying the individuals whose information was stored in the cloud storage account and potentially could have been accessed by an unauthorized person out of an abundance of caution.

What Information Was Involved: The potentially affected information may have included your first and last name, in combination with your <<Data Elements>>.

What Are We Doing? We have taken steps to address the incident and are committed to protecting the information entrusted to us. Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit www.annualcreditreport.com or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

If you discover any suspicious items and have enrolled in IDX identity protection, notify them immediately by calling or by logging into the IDX website and filing a request for help.

If you file a request for help or report suspicious activity, you will be contacted by a member of our ID Care team who will help you determine the cause of the suspicious items. In the unlikely event that you fall victim to identity theft as a consequence of this incident, you will be assigned an ID Care Specialist who will work on your behalf to identify, stop and reverse the damage quickly.

You have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver’s license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
