Re: Legal Notice of Information Security Incident

Dear Sir or Madam:

I am writing on behalf of my client, Skyland Grain, LLC ("Skyland"), to notify you of a cybersecurity incident.

On February 23, 2024, Skyland discovered that an unauthorized third party gained access to Skyland's network. Skyland immediately began an investigation, engaged third-party cybersecurity experts, and notified law enforcement. The investigation determined that an unauthorized actor accessed certain Skyland systems and may have obtained some data from certain Skyland systems between February 22, 2024 and February 23, 2024. Skyland then conducted a robust review of the files to identify individuals whose personal information may have been contained in the files.

On August 13, 2024, Skyland completed its review of the data and identified personal information belonging to certain of Skyland's current and former employees and customers including names and Social Security numbers of two (2) Maryland residents.

Today, September 6, 2024, Skyland will begin mailing notification letters to the two (2) Maryland residents. A sample copy of the notification letter is attached. Skyland will also be offering 24 months of complimentary credit monitoring and fraud protection services to these individuals. Skyland is also providing a telephone number for the individuals to call with any questions regarding the incident.

To help prevent a similar type of incident from occurring in the future, Skyland implemented, and continues to evaluate, additional security measures designed to enhance the security of its systems and data.

If you have any questions or need further information regarding this Incident, please do not hesitate to contact me.

Sincerely,

Will Daugherty

Phone: 1-800-685-1111 P.O. Box 740256 Atlanta, Georgia 30348 www.equifax.com	Phone: 1-888-397-3742 P.O. Box 9554 Allen, Texas 75013 www.experian.com	Phone: 1-888-909-8872 P.O. Box 2000 Chester PA 19016 www.transunion.com

Free Credit Report. We remind you to be vigilant for incidents of fraud or identity theft by reviewing your account statements and free credit reports for any unauthorized activity. If you identify any unauthorized charges on your financial account statements, you should immediately report any such charges to your financial institution. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit www.annualcreditreport.com or call toll free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available from the U.S. Federal Trade Commission's ("FTC") website at www.consumer.ftc.gov) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

For Colorado, Georgia, Maryland, Massachusetts, and New Jersey: You may obtain one or more (depending on the state) additional copies of your credit report, free of charge. You must contact each of the credit reporting agencies directly to obtain such additional report(s).

Security Freeze. Security freezes, also known as credit freezes, restrict access to your credit file, making it harder for identity thieves to open new accounts in your name. You can freeze and unfreeze your credit file for free. You also can get a free freeze for your children who are under 16. And if you are someone's guardian, conservator or have a valid power of attorney, you can get a free freeze for that person, too.

How will these freezes work? Contact all three of the nationwide credit reporting agencies – Equifax, Experian, and TransUnion. If you request a freeze online or by phone, the agency must place the freeze within one business day. If you request a lift of the freeze, the agency must lift it within one hour. If you make your request by mail, the agency must place or lift the freeze within three business days after it gets your request. You also can lift the freeze temporarily without a fee.

The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue.

For New Mexico residents: You may obtain a security freeze on your credit report to protect your privacy and ensure that credit is not granted in your name without your knowledge. You may submit a declaration of removal to remove information placed in your credit report as a result of being a victim of identity theft. You have a right to place a security freeze on your credit report or submit a declaration of removal pursuant to the Fair Credit Reporting and Identity Security Act. For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.

Fraud Alerts. A fraud alert tells businesses that check your credit that they should check with you before opening a new account. An initial fraud alert stays on your credit report for one year. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert

stays on your credit report for seven years. To place a fraud alert on your credit reports, contact one of the nationwide credit bureaus. A fraud alert is free. The credit bureau you contact must tell the other two, and all three will place an alert on their versions of your report.

Federal Trade Commission and State Attorneys General Offices. If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your home state. You may also contact these agencies for information on how to prevent or avoid identity theft. You may contact the Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580, www.ftc.gov/bcp/edu/microsites/idtheft/, 1-877-IDTHEFT (438-4338).
