Re: Notification of Cyber-security Breach (New TSI Holdings, Inc./New York Sports Club)

Dear Sir or Madam:

We write to notify you that our client, New TSI Holdings, Inc./New York Sports Club, experienced a data security incident on or about July 27, 2024. On or about August 23, 2024, an investigation into this incident revealed that the breach involved an unauthorized user potentially accessing files on New TSI Holdings, Inc.'s servers containing employee's social security numbers and passport numbers.

In response to the attack, the password for all servers and email accounts have been changed and New TSI Holdings, Inc. has enhanced its network security features. New TSI Holdings, Inc. is in the process of implementing multi-factor authorization on its systems in order to prevent future unauthorized access. New TSI Holdings, Inc. has also undertaken additional efforts to further strengthen its security systems and is actively monitoring its computer network against any future breaches. At this time, there is no evidence to suggest that there has been any attempt to misuse the information.

New TSI Holdings, Inc. is offering identity theft protection services through IDX, a ZeroFox Company, to any affected consumer. IDX identity protection services include: 12 months of credit and CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed ID theft recovery services. With this protection, IDX will help any affected individual resolve any issues.

This security breach has affected **three hundred and seventy-six (376)** Maryland residents. The three nationwide consumer reporting agencies (Experian, Equifax and TransUnion) have also been notified.

A copy of the template of the letter being sent to any Maryland resident is attached.

Please contact the undersigned if you have any questions or need any additional information.

Very truly yours,

KAUFMAN DOLOWICH, LLP

Notice of Data Breach

Dear <<First Name>> <<Last Name>>,

What Happened

We are contacting you because we have learned of a data security incident involving New TSI Holdings, Inc./New York Sports Club that occurred on or about July 27, 2024. On or about August 23, 2024, our investigation into this incident revealed that the breach involved an unauthorized user potentially accessing files on New TSI Holdings, Inc.'s servers containing employee's social security numbers and passport numbers. Our investigation has revealed that the data security incident involved approximately 19,836 individuals. The passwords for all servers and email accounts at New TSI Holdings, Inc. have been changed. We are also continuing to actively monitor the servers and email accounts. At this time, there is no evidence to suggest that there has been any attempt to misuse the information.

What Information Was Involved

As discussed above, the information at issue included in some instances, first and last names with social security numbers and/or passport numbers.

What We Are Doing

We changed all passwords and have enhanced our network security features to prevent further access by the unauthorized user. We are in the process of implementing multi-factor authentication on our systems and are actively monitoring our systems to confirm there is no further unauthorized access in the future.

In addition, we are offering identity theft protection services through IDX, A ZeroFox Company, the data breach and recovery services expert. IDX identity protection services include: up to 12 months of credit and CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed ID theft recovery services. With this protection, IDX will help you resolve issues if your identity is compromised.

What You Can Do

We encourage you to contact IDX with any questions and to enroll in the free identity protection services by calling (877) 225-2083, going to <https://app.idx.us/account-creation/protect>, or scanning the QR image and using the Enrollment Code provided above. IDX representatives are available Monday through Friday from 9 am - 9 pm Eastern Time. Please note the deadline to enroll is December 26, 2024.

Again, at this time, there is no evidence that your information has been misused. However, we encourage you to take full advantage of this service offering. IDX representatives have been fully versed on the incident and can answer questions or concerns you may have regarding protection of your personal information.

For More Information

You will find detailed instructions for enrollment on the enclosed Recommended Steps document. Also, you will need to reference the enrollment code at the top of this letter when calling or enrolling online, so please do not discard this letter.

Please call (877) 225-2083 for assistance or for any additional questions you may have.

Sincerely,

Stuart Steinberg
General Counsel

Recommended Steps to help Protect your Information

1. Website and Enrollment. Scan the QR image or go to <https://app.idx.us/account-creation/protect> and follow the instructions for enrollment using your Enrollment Code provided at the top of the letter.

2. Activate the credit monitoring provided as part of your IDX identity protection membership. The monitoring included in the membership must be activated to be effective. Note: You must have established credit and access to a computer and the internet to use this service. If you need assistance, IDX will be able to assist you.

3. Telephone. Contact IDX at (877) 225-2083 to gain additional information about this event and speak with knowledgeable representatives about the appropriate steps to take to protect your credit identity.

4. Review your credit reports. We recommend that you remain vigilant by reviewing account statements and monitoring credit reports. Under federal law, you also are entitled every 12 months to one free copy of your credit report from each of the three major credit reporting companies. To obtain a free annual credit report, go to www.annualcreditreport.com or call 1-877-322-8228. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months.

If you discover any suspicious items and have enrolled in IDX identity protection, notify them immediately by calling or by logging into the IDX website and filing a request for help.

If you file a request for help or report suspicious activity, you will be contacted by a member of our ID Care team who will help you determine the cause of the suspicious items. In the unlikely event that you fall victim to identity theft as a consequence of this incident, you will be assigned an ID Care Specialist who will work on your behalf to identify, stop and reverse the damage quickly.

You should also know that you have the right to file a police report if you ever experience identity fraud. You also have the right to obtain any police report filed in regard to this incident. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide some kind of proof that you have been a victim. A police report is often required to dispute fraudulent items. You can report suspected incidents of identity theft to local law enforcement or to the Attorney General.

5. Place Fraud Alerts with the three credit bureaus. If you choose to place a fraud alert, we recommend you do this after activating your credit monitoring. You can place a fraud alert at one of the three major credit bureaus by phone and also via Experian's or Equifax's website. A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. The contact information for all three bureaus is as follows:

Credit Bureaus

Equifax Fraud Reporting
1-866-349-5191
P.O. Box 105069
Atlanta, GA 30348-5069
www.equifax.com

Experian Fraud Reporting
1-888-397-3742
P.O. Box 9554
Allen, TX 75013
www.experian.com

TransUnion Fraud Reporting
1-800-680-7289
P.O. Box 2000
Chester, PA 19022-2000
www.transunion.com

It is necessary to contact only ONE of these bureaus and use only ONE of these methods. As soon as one of the three bureaus confirms your fraud alert, the others are notified to place alerts on their records as well. You will receive confirmation letters in the mail and will then be able to order all three credit reports, free of charge, for your review. An initial fraud alert will last for one year.

Please Note: No one is allowed to place a fraud alert on your credit report except you.

6. Security Freeze. By placing a security freeze, someone who fraudulently acquires your personal identifying information will not be able to use that information to open new accounts or borrow money in your name. You will need to contact the three national credit reporting bureaus listed above to place the freeze. Keep in mind that when you place the freeze, you will not be able to borrow money, obtain instant credit, or get a new credit card until you temporarily lift or permanently remove the freeze. There is no cost to freeze or unfreeze your credit files. Under federal law, you cannot be charged to place, lift, or remove a security freeze.

In order to request a security freeze, you will need to provide some or all of the following information to the credit reporting agency, depending on whether you do so online, by phone, or by mail:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill, telephone bill, rental agreement, or deed;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.);
7. Social Security Card, pay stub, or W2;
8. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) to three (3) business days after receiving your request to place a security freeze on your credit report, based upon the method of your request. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password (or both) that can be used by you to authorize the removal or lifting of the security freeze. It is important to maintain this PIN/password in a secure place, as you will need it to lift or remove the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must make a request to each of the credit reporting agencies by mail, through their website, or by phone (using the contact information listed above). You must provide proper identification (including name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze, as well as the identities of those entities or individuals you would like to receive your credit report. You may also temporarily lift a security freeze for a specified period of time rather than for a specific entity or individual, using the same contact information listed above. The credit bureaus have between one (1) hour (for requests made online) and three (3) business days (for request made by mail) after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must make a request to each of the credit reporting agencies by mail, through their website, or by phone (using the contact information listed above). You must provide proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have between one (1) hour (for requests made online) and three (3) business days (for requests made by mail) after receiving your request to remove the security freeze.

7. You can obtain additional information about the steps you can take to avoid identity theft from the following agencies. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them.
