RE: Security Breach Notification

To Whom It May Concern:

We serve as counsel for Hamilton Township School District (“HTSD”), located at 90 Park Avenue, Hamilton, NJ 08690. We write to provide notification of a recent data security incident. By providing this notice, HTSD does not waive any rights or defenses under Maryland law, including the data breach notification statute.

On October 30, 2023, HTSD observed unusual activity on its computer network and immediately began an investigation with the assistance of third-party specialists to determine the full nature and scope of the incident. This investigation determined that certain files on the HTSD network were potentially accessed without authorization between October 22 and October 30, 2023.

Therefore, HTSD worked with a third-party data analysis firm to conduct a thorough review of the files at issue to determine the type of information contained therein and to whom the information related. This review was completed on April 14, 2024 and determined that the files at issue included the names of seven residents of Maryland in combination with Social Security number.

HTSD notified potentially impacted individuals of this incident via First Class mail on November 25, 2024. A copy of the notice is attached as ***Exhibit A***. HTSD has no reason to believe any information has been misused because of this incident. However, in an abundance of caution, HTSD is offering the potentially impacted residents of Maryland complimentary access to 12 months of credit monitoring and identity protection services.

In response to this incident, HTSD notified law enforcement. HTSD also reviewed their policies and procedures related to data protection and has taken additional steps to enhance their network security and help decrease the chance of a similar incident occurring in the future.

Thank you for your attention to this matter and please contact me should you have any questions.

Very truly yours,

CIPRIANI & WERNER, P.C.

Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports and account statements for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit www.annualcreditreport.com or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

You have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver’s license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
