Re: Notification of Data Security Incident

To Whom It May Concern:

Lewis Brisbois represents Targus located in Anaheim, California, in connection with a recent data security incident described in greater detail below. The purpose of this letter is to notify you of the incident in accordance with Maryland's data breach notification law.

1. Nature of the Security Incident

On or around April 6, 2024, Targus discovered that it had fallen victim to a cybersecurity incident. Targus promptly engaged a team of cybersecurity experts to assist it with conducting a forensic investigation to determine whether any data or personal information was impacted by the incident. On or around May 9, 2024, the investigation determined that certain data was impacted by the incident. Targus then began a review of the data to determine whether any personal information belonging to individuals was accessed or acquired without authorization as a result of this incident. On or around October 9, 2024, Targus determined that personal information was affected by the incident and moved to identify addresses for the impacted individuals in order to notify them of the incident. On or around October 24, 2024, Targus identified current addresses and moved to notify individuals of the incident.

2. Type of Information and Number of Maryland Residents Affected

Targus notified four (4) residents of Maryland of this data security incident via first class U.S. mail on November 21, 2024. The information accessed and potentially acquired by the unauthorized actor responsible for this incident may have included name, Social Security number, driver's license or

state identification card number, and/or passport number. A sample copy of the notification letter sent to these individuals is included with this correspondence.

3. Steps Taken Relating to the Incident

Targus has reported the incident to the FBI and will provide whatever cooperation is necessary to hold the perpetrators accountable. Targus has also implemented additional security features in an effort to prevent a similar incident from occurring in the future. Further, Targus has offered all individuals whose information was involved twelve (12) months of complimentary services through TransUnion, which includes credit monitoring, cyber monitoring, identity restoration services, an insurance reimbursement policy, and access to a call center.

4. Contact Information

Targus remains dedicated to protecting the personal information in its possession. If you have any questions or need additional information, please do not hesitate to contact me at (714) 966-3184 or by email at Kamran.Salour@lewisbrisbois.com.

Subject: Notice of Data Security Incident

Dear [REDACTED]:

Targus is writing to notify you of a recent data security incident that involved your personal information. This letter informs you of this incident and the steps you can take to help protect your personal information and offers you complimentary credit monitoring and identity protection services.

What Happened? On or around April 6, 2024, Targus discovered that it had fallen victim to a cybersecurity incident. Targus promptly engaged a team of cybersecurity experts to assist it with conducting a forensic investigation to determine whether any data or personal information was impacted by the incident. On or around May 9, 2024, the investigation determined that certain data was impacted by the incident. Targus then began a review of the data to determine whether any personal information belonging to individuals was accessed or acquired without authorization as a result of this incident. On or around October 9, 2024, Targus determined that personal information was affected and moved to identify addresses for the impacted individuals in order to notify them of the incident. On or around October 24, 2024, Targus identified current addresses and moved to notify individuals.

What Information Was Involved? The impacted information may have included your name and the following: Social Security number.

What Are We Doing? As soon as Targus discovered the incident, it took the steps described above. Targus also implemented additional security measures to minimize the risk of a similar incident occurring in the future. Targus is further notifying you of this event and advising you about steps you can take to help protect your personal information.

To help relieve concerns following this incident, Targus is offering you access to **Single Bureau Credit Monitoring/Single Bureau Credit Report/Single Bureau Credit Score** services at no charge. These services provide you with alerts for [REDACTED] months from the date of enrollment when changes occur to your credit file. This alert is sent to you the same day that a change or update takes place with the bureau. Finally, Targus is providing you with proactive assistance to help with any questions that you might have or in the event that you become a victim of fraud. These services will be provided by Cyberscout, a TransUnion company specializing in fraud assistance and remediation services.

What Can You Do? Targus recommends that you review the guidance included with this letter about how to protect your personal information. In addition, Targus recommends enrolling in the complimentary services being offered by Cyberscout, a TransUnion company, to further protect your personal information. To receive credit monitoring services, you must be over the age of eighteen (18) and have established credit in the U.S., have a Social Security number to your name, and have a U.S. residential address associated with your credit file.

000010102G0500

P

To enroll in credit monitoring and identity protection services, please log on to <https://bfs.cyberscout.com/activate> and follow the instructions provided. When prompted please provide the following unique code to receive the services: [REDACTED].

In order for you to receive the credit monitoring and identity protection services, the enrollment deadline is 90 days from the date on this letter. The enrollment requires an internet connection and e-mail account and may not be available to minors under the age of eighteen (18) years of age. Please note that when signing up for identity protection services, you may be asked to verify personal information for your own protection to confirm your identity.

For More Information. If you have any questions regarding the incident or would like assistance with enrolling in the services offered, please call 1-800-405-6108 between 8:00 A.M. EST to 8:00 P.M. EST, Monday through Friday, excluding holidays.

Targus appreciates your understanding and deeply regrets any worry or inconvenience that this may cause you.

Sincerely,

Targus

STEPS YOU CAN TAKE TO HELP PROTECT YOUR INFORMATION

Review Your Account Statements and Notify Law Enforcement of Suspicious Activity: As a precautionary measure, we recommend that you remain vigilant by reviewing your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (FTC).

Copy of Credit Report: You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting <http://www.annualcreditreport.com/>, calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You also can contact one of the following three national credit reporting agencies:

Equifax
P.O. Box 105851
Atlanta, GA 30348
1-800-525-6285
www.equifax.com

Experian
P.O. Box 9532
Allen, TX 75013
1-888-397-3742
www.experian.com

TransUnion
P.O. Box 1000
Chester, PA 19016
1-800-916-8800
www.transunion.com

Fraud Alert: You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least one year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at <http://www.annualcreditreport.com>.

Security Freeze: You have the right to put a security freeze on your credit file for up to one year at no cost. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement.

Additional Free Resources: You can obtain information from the consumer reporting agencies, the FTC, or from your respective state Attorney General about fraud alerts, security freezes, and steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC or to the Attorney General in your state.
