RE: Notice of Data Security Incident

To Whom It May Concern:

We serve as counsel for Robbie D. Wood, Inc. ("RDW") located at 1051 Old Warrior River Road, Dolomite, AL 35061, and provide this notification of a recent data security incident. By providing this notice, RDW does not waive any rights or defenses under Maryland law, including the data breach notification statute.

On October 1, 2024, RDW became aware of unauthorized activity on its network. Upon discovery, RDW began an investigation with the assistance of third-party specialists. The investigation determined an unauthorized party may have accessed certain files within the RDW network for a limited period of time. Therefore, RDW began a review of the potentially impacted files to determine the type of information contained therein and to whom the information related. RDW completed this review on January 16, 2025.

The review of the potentially impacted files determined 8 Maryland residents were potentially impacted by this incident. The types of information potentially impacted includes individual's name in combination with one or more of the following elements: date of birth, Social Security number, driver's license number, financial account information, medical information, health insurance information, and email username and password. RDW began sending individual notification letters on February 11, 2025, via First Class mail, including to the residents of Maryland believed to be impacted.

In response to this incident, RDW notified law enforcement, conducted a full forensic investigation, changed passwords, and notified impacted individuals. A template copy of the individual notification letter sent to individuals is attached hereto as *Exhibit A*.

Thank you for your attention to this matter. Please contact me should you have any questions.

Very truly yours,

CIPRIANI & WERNER, P.C.

LLC and fulfilled on its behalf by Equifax Consumer Services LLC. ³Locking your Equifax credit report will prevent access to it by certain third parties. Locking your Equifax credit report will not prevent access to your credit report at any other credit reporting agency. Entities that may still have access to your Equifax credit report include: companies like Equifax Global Consumer Solutions, which provide you with access to your credit report or credit score, or monitor your credit report as part of a subscription or similar service; companies that provide you with a copy of your credit report or credit score, upon your request; federal, state and local government agencies and courts in certain circumstances; companies using the information in connection with the underwriting of insurance, or for employment, tenant or background screening purposes; companies that have a current account or relationship with you, and collection agencies acting on behalf of those whom you owe; companies that authenticate a consumer's identity for purposes other than granting credit, or for investigating or preventing actual or potential fraud; and companies that wish to make pre-approved offers of credit or insurance to you. To opt out of such pre-approved offers, visit www.optoutprescreen.com ⁴The Identity Theft Insurance benefit is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company, under group or blanket policies issued to Equifax, Inc., or its respective affiliates for the benefit of its Members. Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit www.annualcreditreport.com or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

You have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver’s license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
