***RE: Data Breach Notification***

To Whom It May Concern:

We serve as counsel for Community Care Alliance (“CCA”) located at P.O. Box 1700, Woonsocket, RI 02895. We write to provide notification of a recent data security incident. By providing this notice, CCA does not waive any rights or defenses under Maryland law, including the data breach notification statute.

On July 6, 2024, CCA experienced a network disruption that affected their ability to access certain systems. Upon discovery, CCA took immediate steps to respond and secure their network and systems, including the engagement of third-party forensic specialists to assist in a thorough investigation into the nature and scope of the incident. The investigation revealed that certain parts of the network may have been acquired by an unauthorized actor between July 1, 2024 and July 5, 2024. CCA immediately worked to review its systems to determine the types of information at risk and to whom it relates. On or around January 8, 2025, this process was completed and CCA worked to identify up-to-date contact information to provide individuals with notification.

On March 6, 2025, CCA received its results from a National Change of Address search and identified 14 Maryland residents potentially affected by this incident. The information potentially impacted included first and last name, address, date of birth, driver's license number, Social Security number, diagnosis/condition, patient ID number, lab results, medications, health insurance information, provider name and/or other treatment information.

In response to this incident, CCA took steps to secure their environment, conducted an investigation, implemented additional technical measures, and notified law enforcement. Additionally, CCA began providing direct notice to the potentially impacted individuals on March 7, 2025 via U.S. mail. A copy of the notice is attached as **Exhibit A**. In an abundance of caution, CCA is offering the potentially impacted individuals complimentary credit monitoring and identity protection services.

Very truly yours,

Jason Goodwin, Esq.

### **Monitor Your Accounts**

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

You have the right to place an initial or extended fraud alert on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a credit freeze on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver's license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
